Peace and tranquillity in a village location but on the outskirts of Glasgow for the buzz of city life.  
Both Glasgow & Prestwick airports are close by, the hotel is accessible by major road and rail networks  
with ample free car parking.

The cocktail lounge should be an ideal venue for hosting smaller events, in a relaxed atmosphere, with dark  
woods and subtle lighting. A private entrance and washrooms, open fireplace, and patio doors leading to  
the terrace and village park. A heated smoking area is also available

Individual packages are tailored to suit your own requirements and conference organizers will have their  
own personal contact from the hotel to assist with all arrangements regarding transport, timings, catering,  
room layout, equipment and stationary to ensure a successful event, on your behalf.

This privately owned hotel offers a 2AA rosette restaurant and delegates are catered for with home baking  
and fresh, local produce from our healthy delegate menus.

Comfortable accommodation, recently refurbished in a modern contemporary style, includes  
satellite TV, internet access, hospitality tray, toiletries, phone, alarm clock and radio ....  
Laundry, secretarial and packed lunch services are also available
